

ASSEMBLY BILL

No. 2159

Introduced by Assembly Member Ammiano

February 20, 2014

An act to amend Section 2824 of the Public Utilities Code, relating to electricity.

LEGISLATIVE COUNSEL'S DIGEST

AB 2159, as introduced, Ammiano. Public utilities: electrical services: charges.

Existing law requires the Public Utilities Commission to review various charges paid by or charged by electrical corporations related to the delivery of electrical services. Existing law requires the commission, following the review, to consider adjustments to the charges to encourage the utilization of electricity generated from other than conventional power sources.

This bill would make nonsubstantive changes to the above provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 2824 of the Public Utilities Code is
2 amended to read:
3 2824. (a) The commission shall conduct a review of the
4 charges paid by electrical corporations for electricity generated
5 from other than conventional power sources and furnished to ~~such~~
6 the electrical corporations. Following ~~such~~ the review, the
7 commission shall consider adjustments in ~~such~~ the charges to

1 encourage the generation of electricity from other than conventional
2 power sources.

3 (b) The commission shall conduct a review of standby charges
4 charged by electrical corporations. Following ~~such~~ *the* review, the
5 commission shall consider adjustments in ~~such~~ *the* charges to
6 encourage the utilization of electricity generated from other than
7 conventional power sources and to enable electrical corporations
8 to review the costs of providing standby service.

9 (c) The commission shall conduct a review of charges for
10 transmission service made by electrical corporations for the
11 transmission of electricity generated from other than conventional
12 power sources. Following ~~such~~ *the* review, the commission shall
13 consider adjustments in ~~such~~ *the* charges to encourage the
14 generation of electricity from other than conventional power
15 sources.
